

Application for an Equine Passport (EU 2015/262)

This form to be used to apply for a Donkey, Mule or Hinny

Requirements for completion of the Application for an Equine Passport

The basic details a) and written description b) must be completed in full.

Whorls and markings must be shown on the silhouette diagram. The silhouette page can be completed, by the applicant but must then be signed and stamped by your Veterinary Surgeon to confirm that the written identification matches the donkey and to verify the Microchip reading.

Where a new microchip is inserted the bar code strip which accompanies the microchip should be applied along the boxes below the silhouette; where an existing microchip is detected the reading should be written in clearly, using a black pen. This form may be used to apply for a passport for a donkey of any age, with or without known breeding.

This application form is designed to facilitate the Donkey Breed Society to record mandatory data prior to the issue of a passport, *NB: Where this application is being made outside the statutory juvenile time limit the passport will be signed out of the Human Food Chain by the DBS Passport Administrator at the time of issue, and the passport marked as a Replacement. The time limit for application being within 6 months of birth or before the 31st December of the year of birth, whichever comes later.*

Personal data declaration

We will share your data where we are obliged to by law. We will never sell your information. We will keep your information secure, we will never keep your information for longer than we need to, and we aim to always keep it up to date and correct. We will not share your details with any third party other than where required to e.g. Defra and any other third party as required to be law.

We would like to be able to hold and publish your name and address details as relates to this equine in our annual Stud Book / Registers publication.

You have rights under the General Data Protection Regulation. A full list of these can be obtained from the Information Commissioner, however in summary, you can ask to see your personal data, have it corrected if it is wrong, and – in many circumstances – ask to be ‘forgotten’. If you wish to know more detail about the information we hold, what it is used for, who we share it with, and how long we retain it for, please contact the DBS Secretary for more details. 01732 864414

Passport Issuing Authority :- **The Donkey Breed Society**

Please return Applications to:

The Passport Administrator
Bryncelyn
Llanfyllin
Powys
SY22 5NE

Tel: 01691 648168

Address:

Post Code:

Disclosure for General Data Protection Regulation 2018: There is a mandatory requirement that some equine passport based information about equine and owner must be passed to an Electronically managed Central Equine Database - Passport Identification Number, name of donkey, date of registration, date or year of birth, date or year of death, breed, sex, colour, owner details (title; first Name; last Name; address; postcode), country of birth, date of passport issue. The information is collected in order to provide a source of data that supports Defra's veterinary disease control and surveillance activities. The information will also enable Defra to carry out its responsibilities regarding the implementation of the horse passport legislation requirement. EU 2015/262
