NOTICES

After an absence of two years the Society is bringing back a much loved event to celebrate the Queen's Platinum Jubilee.

Given the levels of Covid that exist in society this year the event is on a smaller scale than might otherwise have been expected being contained into just one day.

Any donkey that pre-qualified for the 2020 or 2021 Championships remains eligible to enter the 2022 show as a Pre-Qualifier, however the donkey will now be in the class appropriate to its current age and/or sex, not that at the time it qualified.

For this year only a young person will be categorised as a Junior if they are under the age of 18 on the day of the show, making them eligible for the Junior awards.

SOCIETY RULES AND REGULATIONS FOR THE SUPREME CHAMPIONSHIP SHOW

These are available on request from the Show Secretary; however, they are also available to all through the Society website - www.donkeybreedsociety.co.uk. Please ensure you have read these before making your entries for the event, as you will be asked to confirm that you have done so.

CATALOGUES

Catalogues must be pre-ordered to avoid wastage; there is space on the entry form to do this. Copies can be ordered from the Secretary over the weekend and sent to you afterwards at an additional cost of £2.00 to cover packing and postage. Pre-ordered price £3.00, delivery after the show £5.00.

EXHIBITOR NUMBERS

Exhibitor numbers will be posted out prior to the event, however the numbers themselves will also be emailed to you as there will not be any spares on the day.

ARRIVAL TIME

All classes will automatically follow on from the pre-ceding class(es) so please ensure you take this into account in planning your arrival time.

TROPHY COLLECTION

We try to be as accommodating as possible with trophy collections, according to the manpower we have available, once again we are imposing opening times, which will be posted nearer the event.

DOCUMENTATION AND OTHER CHECKS

Random checks will be made to ensure that all donkeys are fully vaccinated in accordance with the venue rules (see below), are accompanied by their passport, have been micro-chipped and the exhibitor has appropriate public liability insurance cover

Venue

ARENAS - WALKWAYS - REFUSE

These must be kept free of droppings throughout the duration of the event.

All refuse must be put into the correct bins or taken away with exhibitors.

Failure to comply with these rules could render any offender to a charge from the college.

STABLES

Stabling will be available at a cost of £35.00 for one night and £30.00 for a second night. Any exhibitor hiring a stable will be expected to leave it clean and tidy - any fine imposed by the venue will be passed onto that exhibitor. Should a stable not be considered to be clean and tidy on arrival please provide photographic evidence so we may take the matter up with the college.

VACCINATIONS/PASSPORTS

All horses, ponies and donkeys attending events at Moreton Morrell must have received at least their first two vaccines. Animals with full programs are advised to have six monthly boosters, however annual boosters are acceptable. All vaccines need to have 7 clear days before attending the event. It is every exhibitor's responsibility to ensure all animals are vaccinated correctly from the start date of their program. Moreton Morrell reserve the right to undertake their own random checks and any person being in charge of an animal not being in compliance will both be asked to leave the site.

All animals must have passports with them.

ACCOMMODATION

This year we will not be making use of the student accommodation. It will, however, be possible to camp or if you come with a caravan there is electric hook up on site.

Emailing of Entry Forms, Electronic Payment of Entry Fees and Refund Policy

Completed entry forms may be scanned and emailed to the Show Secretary - donkeybreedsocietytreasurer@gmail.com. Anyone wishing to make their entry in this manner must pay their entry fees electronically and submit a copy of the payment advice. Receipt of the funds will be checked, and a response sent as soon as possible confirming receipt of the entry or requesting further information as necessary.

If you are unable to scan completed entry forms but still wish to pay electronically please feel free to do so and ensure you enclose a copy of the payment advice along with your entry forms.

Protective Headwear (General Rule 29)

Protective headwear is required for all ridden and some driven classes. This must comply with the latest BSI standards, which are:

It is also strongly recommended that Junior members wear a hat of the same standard when handling any donkey/mule or entering any in hand or fun class.

Show Schedule

The organisers reserve the right to amalgamate or split classes as appropriate based on the entries received by 15 July 2022.

All pre-qualified in hand championship donkeys must enter their appropriate class; they do not have to be forward, but the entrant must declare whether they will be forward or not when making the entry.
